PROTESTED NOV - 4 1911 Adams & McGill

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: deny the same without prejudice on the ground that the water is all appropriated. The applicant may refile for the waters of the same source in the event that permit No. 699 is not perfected or forfeited.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with the State Engineer on or before

WITNESS MY HAND AND SEAL this 15th, day of September, 1916.

Wm Kearney State Engineer.
