DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby deny grant the same, subject to the following limitations and conditions:

on the ground that its approval would interfere with prior and existing rights and contravene the policy of the Nevada Stockwatering Act.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

. Proof of the application of water to beneficial use must be filed with State Engineer on or before
