PROTESTED by Phillip M. Baker Dec 20 1911

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued with the condition that the Lehman Creek water be returned, by the applicant, to the present channel of the creek at a point high enough so as not to interfere, in any way, with the diversions and distribution of the present users from the creek, and the proposed diversions of pending prior applications.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Fifty (50) cubic feet per second.

Actual construction work shall begin on or before Nov. 3rd. 1912.

Proof of commencement of work shall be filed before Dec. 3rd. 1912.

Work must be prosecuted with reasonable diligence and be completed on or before May 3rd. 1914.

Application of water to beneficial use shall be made on or before Nov. 3rd. 1914.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before Dec. 3rd. 1914.

WITNESS MY HAND AND SEAL this 3rd. day of October, 1912.

Cancelled because of failure to file proof of commencement of work DEC -4 1912

W. M. KEARNEY

State Engineer.
