APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli- cation, and do hereby grant the same, subject to the following lim- itations and conditions:

This permit is issued subject to prior rights. It is distinctly understood that the State Engineer will grant a later application for the use of this water within the State of Nevada, should an application be made to appropriate it in the above manner.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Six & 4/10 cubic feet per second.

Actual construction work shall begin on or before June 30th, 1913.

Proof of commencement of work shall be filed before July 30th, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before June 30th, 1914.

Application of water to beneficial use shall be made on or before October 30th, 1917.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 30th, 1917.

WITNESS MY HAND AND SEAL this 30th day of October, 1912.
