PROTESTED by William M. Read, November 29th, 1912.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

That all of the water be returned to the main channel above any of the present points of diversion of the vested rights for irrigation use, and further that the constant flow of the stream will at no time be conserved or impounded in such a manner as to deprive any of the vested users of their rights.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 7.31 cubic feet per second.

Actual construction work shall begin on or before June 30, 1913.

Proof of commencement of work shall be filed before July 30, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before July 30, 1915.

Application of water to beneficial use shall be made on or before Oct. 30, 1915.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 30, 1915.

WITNESS MY HAND AND SEAL this 8th day of February, 1913.

Proof of labor filed JUL 26 1913

Application of water to beneficial use shall be made on or before Oct. 30, 1915. Applicant to comply with provisions of permit.
