PROTESTED JULY 13, 1932--by--SUNNYSIDE LIVESTOCK ASSOCIATION--% C. P. TOWNSEND, ELY:22289

See Ruling 932 DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby deny the same, subject to the following limitations and conditions:

on the grounds that applicant does not own or control the land on which the water is to be diverted and put to beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before . Proof of the application of water to beneficial use must be filed with State Engineer on or before

Map Filed June 2, 1932

WITNESS MY HAND AND SEAL this 13th day of December, 1966

GEORGE W. HENNEN
State Engineer.
