

APPLICATION FOR PERMIT

Serial No. 2721

TO APPROPRIATE THE PUBLIC WATERS OF THE STATE OF NEVADA

Date of first receipt and filing in State Engineer's office MAY 22 1913

Returned to applicant for correction

Corrected application filed

The undersigned Thos. McGriff

Name of applicant.

of National, County of Humboldt

State of Nevada, hereby make application for permission to appropriate the public waters of the State of Nevada, as hereinafter stated. (If applicant is a corporation give date and place of incorporation.)

1. The source of the proposed appropriation is The McGriff Spring, Name of stream, lake, or other source.

2. The amount of water applied for is .045 Gal Per Second-foot. One second-foot equals 40 miners' inches.

3. The water to be used for domestic purposes. Irrigation, power, mining, manufacturing, domestic, or other use.

4. The water is to be diverted from its source at the following point: N. 3° 41' W. 3096.2 feet from the S1/4 Cor., of Sec. 33, T. 46 N.R. 39 E., of Mt. Diablo Base and Meridian. Describe as being within a 40-acre subdivision of public survey, or by course and distance to a section corner. If on unsurveyed land it should be so stated.

IF THE WATER IS TO BE USED FOR IRRIGATION, SUPPLY THE FOLLOWING INFORMATION:

(a) Number of acres to be irrigated is

(b) Description of land to be irrigated Describe by legal subdivision, or if on unsurveyed land it should be so stated and a description provided in accordance with special instruction from the State Engineer when application is returned for correction.

(c) Irrigation will begin about Month and end about Month, of each year.

IF WATER IS TO BE USED FOR POWER, MINING, TRANSPORTATION, OR OTHER USE, SUPPLY THE FOLLOWING INFORMATION:

(d) Power to be developed is None horse power.

(e) Works to be located Give 40-acre subdivision on which works will be located, or locate by course and distance to a section corner.

(f) Point of return of water to stream None Describe in same manner as point of diversion.

(g) Remarks The water from this spring did not show on the surface, excepting just enough to dampen the ground, up to the time I started to dig a well at this point.

DESCRIPTION OF PROPOSED WORKS

The water is to be diverted through a pipe line.

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water

The length of the pipe line will be 214 feet, from the point of

is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

diversion to point of use.

- 5. Estimated cost of works \$200.00
6. Estimated time required to construct works 4 days
7. Remarks This spring was developed by me.
For use of applicant.

THOS. McGRUFF, Applicant.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The State Engineer considers and rules that the spring applied for constitutes a natural water source within the meaning of the terms of the statute and is subject to appropriation.

The spring being situated on land claimed by parties other than the applicant, the State Engineer assumes no responsibility for the rights of way necessary to pipe the water from the spring to the place of use. Such rights must be obtained as provided by law or by grant or prescription and have no part in the granting of this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two & 7/10 ~~xxxxxx~~ Gallons per minute.

Actual construction work shall begin on or before November 18th, 1913.

Proof of commencement of work shall be filed before December 18th, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before November 22nd, 1913.

Application of water to beneficial use shall be made on or before January 18-1914.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before February 18-1914.

WITNESS MY HAND AND SEAL this 18th, day of October, 1913.

[Signature: W.M. Kearney] State Engineer.
