APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. It is understood that the 0.5 cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. Accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second.

Actual construction work shall begin on or before October 1, 1935

Proof of commencement of work shall be filed before November 1, 1935

Work must be prosecuted with reasonable diligence and be completed on or before October 1, 1937.

Proof of completion of work shall be filed before November 1, 1937

Application of water to beneficial use shall be made on or before October 1, 1938. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 1, 1938

WITNESS MY HAND AND SEAL this 23rd day of April, 1935

GEO. W. MALONE
State Engineer.
