APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
This permit is issued for the underground waters of the Meadow Valley Wash.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 89.6 cubic feet per second. Eighty nine and six tenths.

Actual construction work shall begin on or before December 20, 1915. Proof of commencement of work shall be filed before January 20, 1916. Work must be prosecuted with reasonable diligence and be completed on or before December 20, 1919.

Application of water to beneficial use shall be made on or before October 20, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 20, 1922.

WITNESS MY HAND AND SEAL this 20th day

Withdrawn by applicant SEP - 8 1915 of August, 1915.

W. M. KEARNEY
State Engineer.
