APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: deny the same on the ground that the Carey Act of which this application was a part has been forfeited, and the lands proposed to be irrigated by virtue of this filing have been restored to the public domain.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed [blank] cubic feet per second.

Actual construction work shall begin on or before [blank]

Proof of commencement of work shall be filed before [blank]

Work must be prosecuted with reasonable diligence and be completed on or before [blank]

Application of water to beneficial use shall be made on or before [blank]

[blank] Proof of the application of water to beneficial use must be filed with State Engineer on or before [blank]

WITNESS MY HAND AND SEAL this 10th day of August, 1915.

[Signature] State Engineer.
