## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic feet per second.

Actual construction work shall begin on or before August 1, 1936

Proof of commencement of work shall be filed before September 1, 1936

Work must be prosecuted with reasonable diligence and be completed on or before August 1, 1938

Proof of completion of work shall be filed before September 1, 1938

Application of water to beneficial use shall be made on or before August 1, 1939. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 1, 1939

Map Filed July 20, 1935

WITNESS MY HAND AND SEAL this 26th day of February, 1936

Cancelled NOV 25 1941 because of failure of applicant to comply with the provisions of permit
