APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.016 cubic feet per second, or sufficient to water 500 head of cattle and 25 head of horses.

Actual construction work shall begin on or before October 2, 1947

Proof of commencement of work shall be filed before November 2, 1947

Work must be prosecuted with reasonable diligence and be completed on or before October 2, 1948

Proof of completion of work shall be filed before November 2, 1948

Application of water to beneficial use shall be made on or before October 2, 1949. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 2, 1949

Map filed July 2, 1944

WITNESS MY HAND AND SEAL this 7th day of April, 1947

AUG 2 1951

Cancelled because of failure of applicant to comply with the provisions of permit
