PROTESTED by Henry Anderson, Oct. 15, 1914.

(See reverse side for approval).

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of the water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 16.4 (Sixteen and four-tenths) cubic feet per second. Actual construction work shall begin on or before August 1, 1917. Proof of commencement of work shall be filed before September 1, 1917. Work must be prosecuted with reasonable diligence and be completed on or before August 1, 1919. Application of water to beneficial use shall be made on or before November 1, 1923. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 1, 1923.

WITNESS MY HAND AND SEAL this 1st day  
of June, 1917
