APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. It is understood that the 0.5 c.f.s. of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.5 cubic feet per second.

Actual construction work shall begin on or before February 1, 1937

Proof of commencement of work shall be filed before March 1, 1937

Work must be prosecuted with reasonable diligence and be completed on or before February 1, 1939

Proof of completion of work shall be filed before March 1, 1939

Application of water to beneficial use shall be made on or before February 1, 1940. Proof of the application of water to beneficial use must be filed with State Engineer on or before March 1, 1940

Map filed April 3, 1936 under 9932

WITNESS MY HAND AND SEAL this 21st day of July, 1936

Cancelled JUN 23 1938 because of failure of applicant to comply with provisions of permit.
