FORFEITED
RULING NO. BY letter
DATE MAY 05 1999

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights. It is understood that the 1.5 cubic feet of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependant upon the amount of water actually placed to a beneficial use. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5 cubic feet per second.

Actual construction work shall begin on or before August 10, 1948

Proof of commencement of work shall be filed before September 10, 1948

Work must be prosecuted with reasonable diligence and be completed on or before August 10, 1949

Proof of completion of work shall be filed before September 10, 1949

Application of water to beneficial use shall be made on or before August 10, 1950. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 10, 1950

WITNESS MY HAND AND SEAL this 10th day of February, 1948
