APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: deny the same on the ground that the appropriation is not from the natural channel of Snow Canyon but from the waste water of Powers Meadows which is not subject to appropriation under existing laws.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial

use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this 27th day of August, 1915.

Wm Kearney
State Engineer.
