DENIAL - OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ deny the same, ~~subject to the following limitations and conditions:~~ on the grounds that the applicant does not have a recognized range right within the service area of this source and that the granting of a permit to appropriate water within an area where the applicant does not have control of the use of the range would be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

. Proof of the application of water to beneficial use must be filed with State Engineer on or before

Map Filed Sept. 7-37

WITNESS MY HAND AND SEAL this 7th day of May, 1965

GEORGE W. HENNEN
State Engineer.
