APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. A substantial weir must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic foot per second.

Actual construction work shall begin on or before October 26, 1938

Proof of commencement of work shall be filed before November 26, 1938

Work must be prosecuted with reasonable diligence and be completed on or before October 26, 1940

Proof of completion of work shall be filed before November 26, 1940

Application of water to beneficial use shall be made on or before October 26, 1942. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 26, 1942

WITNESS MY HAND AND SEAL this 27th day of April, 1938

Alfred Merritt Smith

State Engineer.
