APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the granting of this permit does not give permittee any special grazing privileges with the Toiyabe National Forest. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.01 cubic feet per second., or sufficient to water 300 head of cattle.

Actual construction work shall begin on or before November 23, 1949

Proof of commencement of work shall be filed before December 23, 1949

Work must be prosecuted with reasonable diligence and be completed on or before November 23, 1950

Proof of completion of work shall be filed before December 23, 1950

Application of water to beneficial use shall be made on or before November 23, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 23, 1951
