APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the two cubic feet of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two (2.0) cubic feet per second.

Actual construction work shall begin on or before October 3, 1939

Proof of commencement of work shall be filed before November 3, 1939

Work must be prosecuted with reasonable diligence and be completed on or before October 3, 1942

Proof of completion of work shall be filed before November 3, 1942

Application of water to beneficial use shall be made on or before October 3, 1944. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 3, 1944

Map Filed JUN 27 1938

Proof of commencement of work filed MAY 4 1940

Cancelled JAN 12 1944 because of failure of applicant to comply with provisions of permit.

WITNESS MY HAND AND SEAL this 4th day of October, 1938

Alfred Merritt Smith
State Engineer.
