APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. A substantial measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5 cubic feet per second, and not to exceed a duty of 4 acre feet of water per acre of land irrigated.

Actual construction work shall begin on or before June 1, 1950

Proof of commencement of work shall be filed before July 1, 1950

Work must be prosecuted with reasonable diligence and be completed on or before June 1, 1951

Proof of completion of work shall be filed before July 1, 1951

Application of water to beneficial use shall be made on or before June 1, 1952. Proof of the application of water to beneficial use must be filed with State Engineer on or before July 1, 1952

Proof of commencement of work filed JUN 30 1950

Map filed MAY 24 1948

WITNESS MY HAND AND SEAL this 9th day of September, 1949.

Cancelled AUG 5 1952 because of failure of applicant to comply with the provisions of permit
