APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.008 cubic feet per second, or sufficient to water 250 head of cattle.

Actual construction work shall begin on or before March 1, 1940

Proof of commencement of work shall be filed before April 1, 1940

Work must be prosecuted with reasonable diligence and be completed on or before March 1, 1942

Proof of completion of work shall be filed before April 1, 1942

Application of water to beneficial use shall be made on or before March 1, 1943. Proof of the application of water to beneficial use must be filed with State Engineer on or before April 1, 1943

WITNESS MY HAND AND SEAL this 11th day of September, 1939

Alfred Merritt Smith
State Engineer.
