APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the Two (2.0) cubic feet of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two (2.0) cubic feet per second.

Actual construction work shall begin on or before April 1, 1940

Proof of commencement of work shall be filed before May 1, 1940

Work must be prosecuted with reasonable diligence and be completed on or before April 1, 1943

Proof of completion of work shall be filed before May 1, 1943

Application of water to beneficial use shall be made on or before April 1, 1944. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 1, 1944

Map Filed April 15, 1939

Proof of commencement of work filed MAR 11 1940

WITNESS MY HAND AND SEAL this 15th day of September, 1939

Withdrawn by applicant Jan. 16, 1944

State Engineer

Alfred Merritt Smith
State Engineer.
