APPROVAL OF STATE ENGINEER

Protested Sept. 28, 1949 by Washoe County Water Conservation Dist.

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights. It is understood that the 2.0 c.f.s. herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A meter must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2 c.f.s. cubic feet per second.

Actual construction work shall begin on or before December 20, 1960

Proof of commencement of work shall be filed before January 20, 1961

Work must be prosecuted with reasonable diligence and be completed on or before December 20, 1961

Proof of completion of work shall be filed before January 20, 1962

Application of water to beneficial use shall be made on or before December 20, 1966. Proof of the application of water to beneficial use must be filed with State Engineer on or before January 20, 1967

WITNESS MY HAND AND SEAL this 20th day of June, 1960

Edmund A. Muth
State Engineer.
