APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Six (6.0) cubic feet per second.

Actual construction work shall begin on or before July 31, 1944

Proof of commencement of work shall be filed before August 31, 1944

Work must be prosecuted with reasonable diligence and be completed on or before July 31, 1945

Proof of completion of work shall be filed before August 31, 1945

Application of water to beneficial use shall be made on or before July 31, 1946. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 31, 1946

WITNESS MY HAND AND SEAL this 31st day of January, 1944

Map filed OCT 11 1948

Proof of commencement of work filed AUG 12 1944

Cancelled FEB 6 1951 because of failure of applicant to comply with the provisions of permit
