APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. It is understood that the One (1.0) cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic foot per second.

Actual construction work shall begin on or before October 1, 1944

Proof of commencement of work shall be filed before November 1, 1944

Work must be prosecuted with reasonable diligence and be completed on or before October 1, 1946

Proof of completion of work shall be filed before November 1, 1946

Application of water to beneficial use shall be made on or before October 1, 1949. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 1, 1949

Map Filed JAN 12 1944 under 10980

Proof of commencement of work filed NOV 1 1944

Proof of completion of work filed JUN 25 1945

PROOF OF BENEFICIAL USE FILED OCT 13 1949

Cultural Map Filed 10-3-49

WITNESS MY HAND AND SEAL this 1st day of April, 1944

Alfred Merritt Smith

State Engineer.
