APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.133 cubic feet per second, for farmstead use including domestic and irrigation.

Actual construction work shall begin on or before June 24, 1950

Proof of commencement of work shall be filed before July 24, 1950

Work must be prosecuted with reasonable diligence and be completed on or before June 24, 1953

Proof of completion of work shall be filed before July 24, 1953

Application of water to beneficial use shall be made on or before June 24, 1954. Proof of the application of water to beneficial use must be filed with State Engineer on or before July 24, 1954

WITNESS MY HAND AND SEAL this 3rd day of November, 1949.

ALFRED MERRITT SMITH
State Engineer
