APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the underground water of Pahrump Valley as heretofore granted under Permit No. 11185 is issued subject to the terms and conditions imposed in said permit No. 11185 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial weir or other type of measuring device must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 3.0 cubic feet per second.

Actual construction work shall begin on or before May 15, 1948

Proof of commencement of work shall be filed before June 15, 1948

Work must be prosecuted with reasonable diligence and be completed on or before May 15, 1950

Proof of completion of work shall be filed before June 15, 1950

Application of water to beneficial use shall be made on or before May 15, 1953. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 15, 1953

WITNESS MY HAND AND SEAL THIS 24th day of October, 1947

Proof of commencement of work filed JUN 7 1948
Proof of Completion of work filed OCT 5 1953
PROOF OF BENEFICIAL USE FILED OCT 5 1953

Certificate No. 4105 Issued Jan. 21, 1954
