APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source and on condition that all water which is returned to the natural channel of the stream must be free from tailings or other deleterious matter. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two (2.0) cubic feet per second.

Actual construction work shall begin on or before April 20, 1917.

Proof of commencement of work shall be filed before May 20, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before April 20, 1918.

Application of water to beneficial use shall be made on or before November 20, 1919. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 20, 1919.

WITNESS MY HAND AND SEAL this 20th day of September, 1916.

Cancelled 12 1918 because of failure of applicant to comply with provisions of permit.
