Humboldt Land and Cattle Company, Applicant.

By Charles B. Henderson Attorney.

Compared P.P. Jones

This sheet inspected, Engineer.

PROTESTED by T.R. Weber and Z.F. Wheeler, October 24, 1916.

DENIAL APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby deny the same, subject to the following limitations and conditions: that the applicant or his successors in interest have failed to submit additional information and the approval of this application without the information requested would be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this 4th day of March, 1969

[Signature] State Engineer.
