APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5857 cubic feet per second.

Actual construction work shall begin on or before June 12, 1917.

Proof of commencement of work shall be filed before July 12, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before June 12, 1918.

Application of water to beneficial use shall be made on or before

February 12, 1922. Proof of the application of water to beneficial

use must be filed with State Engineer on or before March 12, 1922.

Proof of labor filed JUN 12 1917

WITNESS MY HAND AND SEAL this 12th day

Proof of completion of work filed MAY 16 1918

of March, 1917.

Cancelled Jan 24 1923 because of failure of applicant to comply with provisions of permit
