APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependant upon the amount of water actually placed to a beneficial use. Measurements of water placed to a beneficial use must be taken from time to time and included in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second.

Actual construction work shall begin on or before April 9, 1949

Proof of commencement of work shall be filed before May 9, 1949

Work must be prosecuted with reasonable diligence and be completed on or before April 9, 1952

Proof of completion of work shall be filed before May 9, 1952

Application of water to beneficial use shall be made on or before April 9, 1954. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 9, 1954

Filed FEB 5 1948

WITNESS MY HAND AND SEAL this 11th day of June, 1948

Cancelled AUG 23 1950 because of failure of applicant to comply with the provisions of permit
