APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. The State retains the right to regulate the use of the water herein granted at any and all times. No right is given hereunder to maintain the water level in permittee's well at any level higher than that necessary for a reasonable pumping lift.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.002 cubic feet per second., or sufficient to water 50 head of cattle.

Actual construction work shall begin on or before February 16, 1949

Proof of commencement of work shall be filed before March 16, 1949

Work must be prosecuted with reasonable diligence and be completed on or before February 16, 1950

Proof of completion of work shall be filed before March 16, 1950

Application of water to beneficial use shall be made on or before February 16, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before March 16, 1951

Map Filed APR 12 1948
Proof of commencement of work filed FEB 10 1949
