APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights. The State retains the right to regulate the use of the water herein granted at any and all times. No right is given under this permit to maintain the water level in permittees well at any level higher than that necessary for a reasonable pumping lift.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.066 cubic feet per second, or sufficient to water 300 head of cattle together with domestic water.

Actual construction work shall begin on or before February 20, 1949

Proof of commencement of work shall be filed before March 20, 1949

Work must be prosecuted with reasonable diligence and be completed on or before February 20, 1950

Proof of completion of work shall be filed before March 20, 1950

Application of water to beneficial use shall be made on or before February 20, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before March 20, 1951

WITNESS MY HAND AND SEAL this 18th day of August, 1948.

ALFRED MERRITT SMITH

State Engineer.
