APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source, and particularly subject to the right of J.F. Byer, for water sufficient for 150 head of cattle or other stock, and also for water to irrigate such amount of land as may later be proven to be entitled to a vested right. The State reserves the right to regulate the use of water herein granted at any and all times. It is distinctly understood that applicant agrees to the conditions herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1/2 cubic foot per second. (One-half)

Actual construction work shall begin on or before June 28, 1918.

Proof of commencement of work shall be filed before July 28, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before June 28, 1919.

Proof of completion of work shall be filed before July 28, 1919.

Application of water to beneficial use shall be made on or before June 28, 1920.

Proof of the application of water to beneficial use must be filed with State Engineer on or before July 28, 1920.

Map filed JUN 26 1918

Proof of labor filed JUN 26 1918

WITNESS MY HAND AND SEAL this 28th day

Proof of completion of work filed JUN 26 1918 of March, 1918.

Cancelled 4/22/21 because of failure of applicant to comply with provisions of statute.
