APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.018 cubic feet per second, or sufficient to water 600 head of cattle.

Actual construction work shall begin on or before May 1, 1950

Proof of commencement of work shall be filed before June 1, 1950

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1951

Proof of completion of work shall be filed before June 1, 1951

Application of water to beneficial use shall be made on or before May 1, 1952. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 1, 1952

Map Filed NOV 27 1948 under 12736

WITNESS MY HAND AND SEAL this 15th day of November, 1949

AUG 5 1952

Cancelled because of failure of applicant to comply with the provisions of permit
