APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source and further subject to the provisions set forth in that certain ruling dated July 25, 1949 in the matter of this application and others in name of Locke and Titus. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0012 cubic feet per second, for stockwatering purposes during trailing operations between the summer and winter ranges.

Actual construction work shall begin on or before April 1, 1950

Proof of commencement of work shall be filed before May 1, 1950

Work must be prosecuted with reasonable diligence and be completed on or before April 1, 1951

Proof of completion of work shall be filed before May 1, 1951

Application of water to beneficial use shall be made on or before April 1, 1952. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 1, 1952

Map Filed NOV 27 1948

Proof of commencement of work filed APR 26 1951

WITNESS MY HAND AND SEAL this 16th day of September, 1949

Withdrawn by applicant MAY 29 1953
