APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number must be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0186 cubic feet per second, or sufficient to water 3000 head of sheep.

Actual construction work shall begin on or before March 29, 1955

Proof of commencement of work shall be filed before April 29, 1955

Work must be prosecuted with reasonable diligence and be completed on or before March 29, 1956

Proof of completion of work shall be filed before April 29, 1956

Application of water to beneficial use shall be made on or before March 29, 1956. Proof of the application of water to beneficial use must be filed with State Engineer on or before April 29, 1956.

Map Filed APR 1 1949

Cancelled Mar. 12, 1954 because of failure of applicant to comply with provisions of permit.
