

TO APPROPRIATE THE PUBLIC WATERS OF THE STATE OF NEVADA

Date of first receipt and filing in State Engineer's office APR-3 1919
Returned to applicant for correction APR-3 1919
Corrected application filed JUN-3 1919

The undersigned C.C. Tidd, Trustee for East and West Walker River water users.
of _____, County of _____, State of _____, hereby make application for permission to appropriate the public waters of the State of Nevada, as hereinafter stated. (If applicant is a corporation give date and place of incorporation.) Act, Stats. 1919, on April 14, 1919, at Yerington, Nevada.

- 1. The source of the proposed appropriation is East Walker River
2. The amount of water applied for is 3000 second-feet.
3. The water to be used for Irrigation & Domestic, including stock-watering
4. The water is to be diverted from its source at the following point: SW 1/4 SW 1/4 Sec 35, T 7 N, R 25 E, M.D.B. & M.,

IF THE WATER IS TO BE USED FOR IRRIGATION, SUPPLY THE FOLLOWING INFORMATION:

- (a) Number of acres to be irrigated is 30,000 acres
(b) Description of land to be irrigated portions of the following: (SEE SUPPLEMENTAL SHEET.)

should be so stated and a description provided in accordance with special instruction from the State Engineer when application is returned for correction.

- (c) Irrigation will begin about March first and end about October of each year.

IF WATER IS TO BE USED FOR POWER, MINING, TRANSPORTATION, OR OTHER USE, SUPPLY THE FOLLOWING INFORMATION:

- (d) Power to be developed is _____ horsepower.
(e) Works to be located
(f) Point of return of water to stream Not to be returned

(g) Remarks This water is to be stored in a reservoir and it is proposed to store all of the surplus flow of the East Walker River and use it to supplement irrigation during times of shortage, on any lands in the Walker River Irrigation District, as a matter of public interest.

DESCRIPTION OF PROPOSED WORKS

A reservoir is to be constructed across the bed of the East Walker

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water

River at the point above designated and the water stored therein

is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

for use when needed. The dam will be of earth with concrete core or of such other construction as may be determined upon after close survey, canals, ditches, laterals, and the river channel itself will be used to convey the water to the lands proposed to be irrigated.

5. Estimated cost of works \$150,000.00

6. Estimated time required to construct works Five years

7. Remarks

For use of applicant.

WALKER RIVER IRRIGATION DISTRICT, Applicant.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to store 35,000 acre-feet of water per annum for irrigation on 30,000 acres of land is issued subject to all existing rights on the source and also subject to NRS 535.010, (Dams and Other Obstructions). The proof of beneficial use and cultural map when filed, must show the maximum amount of water stored and released during any one year, and the lands on which such water was used.

The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3,000 cubic feet per second, but not to exceed 35,000 acre-feet to be stored per annum. The duty of water for the lands to be irrigated is limited to 4.0 acre-feet per acre per season.

Actual construction work shall begin on or before August 26, 1971

Proof of commencement of work shall be filed before September 26, 1971

Work must be prosecuted with reasonable diligence and be completed on or before August 26, 1974

Proof of completion of work shall be filed before September 26, 1974

Application of water to beneficial use shall be made on or before

August 26, 1979. Proof of the application of water to beneficial

use must be filed with State Engineer on or before September 26, 1979

WITNESS MY HAND AND SEAL this 26th day

NOV 15 1976

BECAUSE OF FAILURE of August 26, 1970

CANCELLED OF APPLICANT TO COMPLY WITH THE PROVISIONS OF PERMIT

Robert D. Westergaard

STATE ENGINEER

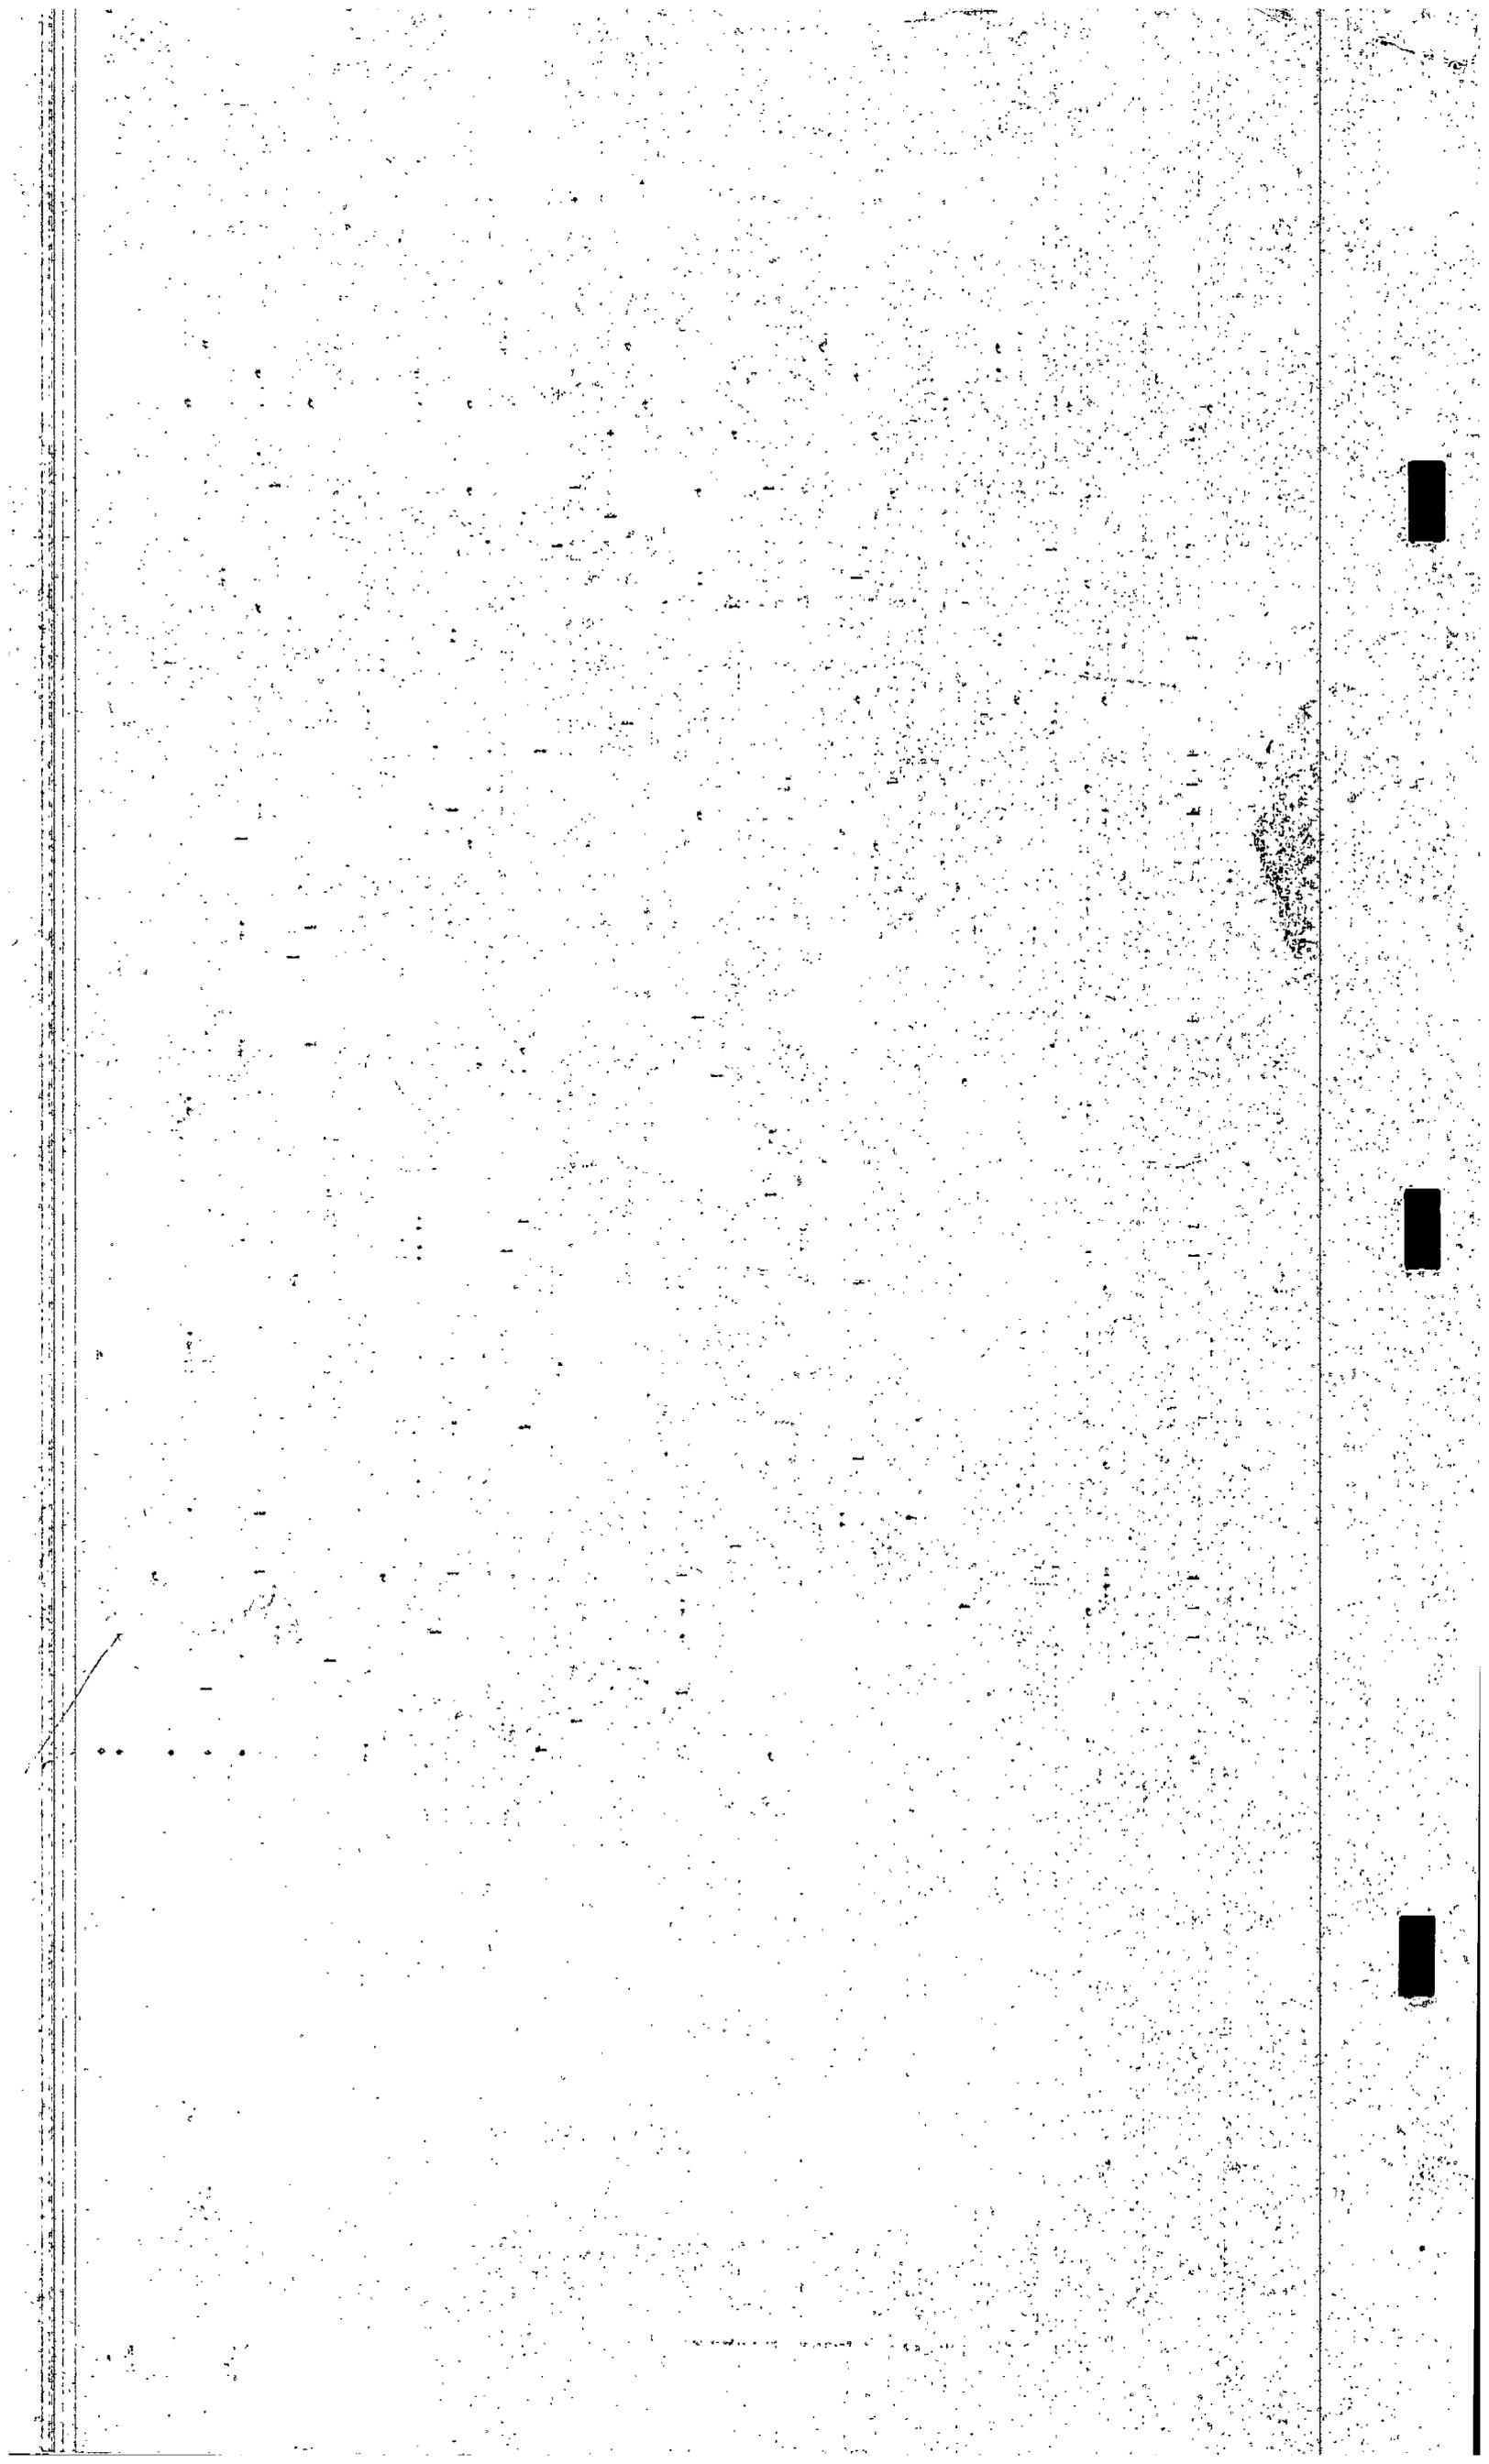

Robert D. Westergaard State Engineer.

SUPPLEMENTAL SHEET.

No. 5440.
