I, Mont E. Hutchison, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 18th day of August and the 21st day of August 1927; that it truly and correctly represents the location and extent of the works used to divert water from Wall Canyon Creek, in Washoe County, by Eva E. Kelly, for irrigation purposes.

That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
