APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source

The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second.

Actual construction work shall begin on or before September 1, 1920

Proof of commencement of work shall be filed before October 1, 1920

Work must be prosecuted with reasonable diligence and be completed on or before January 1, 1921

Proof of completion of work shall be filed before February 1, 1921

Application of water to beneficial use shall be made on or before Sept. 1, 1922. Proof of the application of water to beneficial

use must be filed with State Engineer on or before October 1, 1922

WITNESS MY HAND AND SEAL this 1st day of July 1920

J. S. Langham State Engineer
