
STATE OF NEVADA
COUNTY OF ESMERALDA } SS..

I, Ed. S. Giles, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made by me on the 17th day of March, 1935, that it truly and correctly represents the location and extent of the works used to divert water from an unnamed seep in Esmeralda Co, by George E. McKenna for stock watering purposes; That the point of diversion, the location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed or connected with the said works, are fully and correctly designated thereon.
