APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8 cubic feet per second.

Actual construction work shall begin on or before June 23, 1921.

Proof of commencement of work shall be filed before July 23, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before June 23, 1922.

Proof of completion of work shall be filed before July 23, 1922.

Application of water to beneficial use shall be made on or before June 23, 1923. Proof of the application of water to beneficial

use must be filed with State Engineer on or before July 23, 1923.

Map filed MAR 15 1920 WITNESS MY HAND AND SEAL this 23d day

Proof of labor filed SEP -5 1921 of May, 1921.

Proof of completion of work filed DEC -7 1922  
Cancelled OCT -9 1936 because of failure of applicant to comply with provisions of permit.
