

PROFILE OF GROUND ALONG DIVERSION PIPE

STATE OF NEVADA }
County of Washoe } S.S.

I, Fred W. Clayton, being first duly sworn, depose and say that this map and profile, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 20th day of July, 1948, and the 6th day of July, 1949; that it truly and correctly represents the location and extent of the works used to divert water from a spring, in Washoe County, by Reno Newspapers, Inc., for domestic use purposes. That all other works or streams which are crossed by, or connected with, said works; the location of the diversion; the alignment and profile of the diverting pipe line; the location of all pumping and storage facilities; the location of the place of use; and the boundary of all lands, by 40 acre subdivisions, of the property supplied; are correctly shown and designated hereon.
