APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. A substantial headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic foot per second.

Actual construction work shall begin on or before June 7, 1921.

Proof of commencement of work shall be filed before July 7, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before June 7, 1922.

Proof of completion of work shall be filed before July 7, 1922.

Application of water to beneficial use shall be made on or before October 7, 1925. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 7, 1925.

Proof of labor filed FEB 23 1921
Map filed 3/8/21

WITNESS MY HAND AND SEAL this 7th day of February, 1921.

Proof of completion of work filed JUN -7 1921

Proof of Beneficial use filed July 28 1921
