APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicants agree to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second.

Actual construction work shall begin on or before June 5, 1921

Proof of commencement of work shall be filed before July 5, 1921

Work must be prosecuted with reasonable diligence and be completed on or before June 5, 1923

Proof of completion of work shall be filed before July 5, 1923

Application of water to beneficial use shall be made on or before September 5, 1924

Proof of the application of water to beneficial use must be filed with State Engineer on or before October 5, 1924

WITNESS MY HAND AND SEAL this 5th day of April, 1921.

Proof of labor filed JUN 29 1921

Cancelled because of failure of applicant to comply with provisions of permit

Robert A. Allen
