I, Richard W. Forman, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 3rd day of July, 1980 and that it truly and accurately represents the location and extent of the works used to divert water from Underground Sources in White Pine County by Loren W. & Christine Deming for Irrigation & Domestic purposes under Application No. 30386, That the point of diversion, the location and size of the deverting channel, the location and description of all measuring devices, the location and extent of all lands owned or controlled by the applicant upon which water applied for under Application No. 30386 is used, together with the area and kind of culture in each 40-acre subdivision and the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated hereon.

Richard W. Forman
State Water Right Surveyor

Subscribed and sworn to before me this 11th day of July, 1980.
