I, William A. Nisbet, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 26th day of June 1986; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in ELKO COUNTY, by MARY A. ALLEN for IRRIGATION purposes under Application No. 35013. That the point of diversion, the location, size of the diverting channel, location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 35013 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connect with the said works, are fully and correctly designated thereon.
