APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed .05 cubic foot per second.

Actual construction work shall begin on or before August 5, 1927

Proof of commencement of work shall be filed before September 5, 1927

Work must be prosecuted with reasonable diligence and be completed on or before August 5, 1928

Proof of completion of work shall be filed before September 5, 1928

Application of water to beneficial use shall be made on or before August 5, 1929. Proof of the application of water to beneficial

use must be filed with State Engineer on or before September 5, 1929

WITNESS MY HAND AND SEAL this 5th day of April, 1927

[Signature] State Engineer.
