I, C. STEVE DEAL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28th day of June, 1984; that it truly and correctly represents the location and extent of the works used to divert water from underground, in Lincoln County, by DUANE DAVIS and THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS for irrigation and domestic purposes under Permit Number 35256. That the point of diversion, the location and size of the diverting works, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicants upon which water under Permit Number 35256 is used together with the area and kind of culture in each 40-acre subdivision and the location and name of all other works or streams which are crossed by or connect with said works are fully and correctly designated thereon.
